**TerniEnergia: connected to the grid the "giant" PV plant  
of Tom Burke (South Africa)**

- **The south african subsidiary TerniEnergia Projects PTY Ltd has completed the construction of the plant from 66 MWp in advance on the timetable**
- **Provided a four-year renewable contract for operation and maintenance**
- **Resignation of an effective member of the Board of Auditors**

**Terni, June 8, 2016**

**TerniEnergia**, smart energy company active in the fields of renewable energy, energy efficiency, waste and energy management, listed on the Star segment of the Italian Stock Exchange and part of Italeaf Group, announces that, today, the second of the two "giant" photovoltaic worksites in South Africa, on behalf of a leading Italian utility, has been completed. The PV plant has been connected to the national transmission grid managed by Eskom.

In particular, TerniEnergia Projects PTY Ltd, a South African subsidiary of TerniEnergia SpA, has completed the construction of the PV plant in Tom Burke (for a total installed capacity of 66 MWp), in advance of the timeline envisaged by the final contracts for EPC (engineering, procurement and construction) and O&M (operation and maintenance) four-year and renewable term, and in compliance with the expected financial results.

The worksite of Tom Burke, in the south African region of Limpopo, which is spread over an area of 200 hectares, has employed more than 350 workers in the various functions for the installation of 500,000 photovoltaic PV panels, with a capacity between 125Wp and 140Wp. It were installed in total 82,700 structures of metallic carpentry and laid 2,550 km of electric cables. TerniEnergia operated in compliance with the promotion of political participation in the economic life of "black people".

TerniEnergia also announces that Dr. Vittorio Pellegrini has resigned, due to supervening personal commitments, his resignation from the position as member of the Board of Auditors.

## PRESS RELEASE Terni, June 8, 2016

---

As a result of these resignations, Dr. Marco Chieruzzi, former Deputy Auditor, will take over the office of Statutory Auditor.

*This press release is also available on the Company's website: [www.ternienergia.com](http://www.ternienergia.com).*

**TerniEnergia**, a company incorporated in September of 2005 and part of Italeaf Group, is the first Italian smart energy company and operates in renewable energy, energy efficiency, energy and waste management. TerniEnergia operates as system integrator, with a turn-key offer of industrial sized photovoltaic plants, on behalf of third parties and on its own, for the Power Generation business, also through joint venture companies with leading national players. TerniEnergia operates in the waste management sector, recovery of the material and energy, development and production of technologies. In particular, the Company is active in the recovery of tires out of use, in the treatment of biodegradable waste through the implementation of biodigesters, management of plant for the biological depuration; development and production of technological apparatus. Through TerniEnergia Gas & Power, the Group is active in the energy management, energy sales to energy intensive customers, software and services for energy management, administrative, financial and credit management. The Group is also active on the natural gas and liquefied natural gas (LNG) market, offering a range of services and activities in order to develop Client's business and achieve a competitive advantage providing the best market conditions and creating a high added value.

TerniEnergia operates in the development of energy efficient plants both through EPC scheme and FTT scheme (Financing Through Third Parties), pursuing the objectives of increasing energy production from renewable sources, of energy saving and reduction of emissions as set forth by environmental European policy.

TerniEnergia is listed on STAR segment of Borsa Italiana S.p.A..
